Books Before Birth

Bonding with your baby is very important for their development. Just by reading, talking, and singing to your little one before birth is a great way to start. Your unborn baby can hear your voice as well as sounds outside the womb. Help their early literacy and language learning skills by developing a reading routine from the very beginning.

To participate in Books Before Birth you just need to log 50, five minute read alouds before baby arrives and receive a gift for your newborn.

To sign-up scan the QR code or contact the Lindenhurst Memorial Library at 631-957-7755.
