

Library Cards and Circulation of Materials Policy

1. Library cards (physical or digital via the Lindenhurst Memorial Library App) are issued for a three (3) year period to anyone residing within the boundaries of the Lindenhurst Union Free School District (LUFSD). Proof of residence and identity is required at the time of application and renewal. Acceptable forms of proof are to include the applicant's name and current address. A post office box is not sufficient proof of residency. Any **one** of the following may establish proof of residence in the LUFSD and identity:

- Current NY State Driver's License
- Current Government issued picture ID with name and address
- Current Lease
- Current Tax Bill

OR **two current items** from the following:

- Automobile registration
- Voter registration documentation
- Auto insurance card
- Utility bill
- Credit card statement
- Bank statement
- Mail (not junk mail) postmarked within 30 days

2. Students in grades 6-12 who reside in the Library District may use a current Student ID issued by a school within the boundaries of the Library District for a limited access Lindenhurst Memorial Library card. A Limited Access Card allows teen patrons access to most materials in the children's and teen departments. A parent or legal guardian may accompany the student to upgrade the account to a full access card.
3. A parent or legal guardian must be present with his/her/their minor child through grade five (5) at the time of initial application and renewal. For the purposes of obtaining a Library Card, a minor's residency shall be presumed to be that of his or her parents or legal guardian.
4. The Library may partner with the LUFSD to send digital Library Card applications home prior to a class visit to the Library. Cards issued will be sixty (60) day (temporary limited) access library cards. A parent or legal guardian needs to accompany a student to finalize the application prior to the expiration of the sixty day period, and at that time, may choose to upgrade the account to a full access card.
5. The Lindenhurst Memorial Library will issue a full-access library card to nonresidents who own a business located in the Library District. Proof of ownership is required at the time of initial application and renewal.
6. The Library will issue library cards to employees of a business/school located within the boundaries of the LUFSD. Proof of employment is required at the time of initial application and renewal, such as a

current paystub or current employee ID card. These library cards are for LML use only and are not valid for securing new items, museum passes, or items from the “Library of Things” collection, such as WiFi hotspots.

7. The Library will issue library cards to residents of a group residential home within the boundaries of the LUFSD. If the resident applying for a library card is unable to sign his/her/their name, and/or be the responsible party for the items, then the supervisor/administrator of the group home may sign as a surrogate guardian, assuming all responsibility and cost for lost or damaged items on the account.
8. The Library acknowledges the right to Library service by those whom are homeless; conversely, the Library possesses a legitimate need for an address where notices can be sent. In such cases the Library will accept alternative identification/proof of residence, including but not limited to:
 - The address of a shelter, church or other social service entity where he/she/they can receive mail within the boundaries of the LUFSD
 - A current and valid email address

If an individual can furnish neither, he/she/they may complete an affidavit that he/she/they reside within the Library District to receive a card. Proof of identity is still required. Cards will be issued for one year. All other borrowing rules and regulations still apply.

9. The Lindenhurst Memorial Library is a member of the Suffolk Cooperative Library System (SCLS) and as such follows the SCLS Resource Sharing Code as established by SCLS and its member libraries. Any borrower possessing a valid full service library card, in good standing, issued by any member library of SCLS may utilize the resources of the Lindenhurst Memorial Library and borrow items through “direct access”. The following restrictions apply to direct access loans:
 - a) Materials that do not circulate to local residents
 - b) Materials that are in high demand by local residents
 - c) New DVDs (in the collection less than one year)
 - d) Items in the “Library of Things” collection
 - e) Museum Passes
 - f) Video games
10. Library cardholders are responsible for all materials borrowed with their library cards. Library cards must be presented (either physical or digital) when borrowing Library materials. If a cardholder does not present his/her library card, a driver’s license or valid school ID is an acceptable form of identification if it corresponds to the name of the cardholder.
11. Borrowing privileges will be suspended when a bill has been sent by any library in or lending through the Suffolk Cooperative Library System for overdue or damaged materials.
12. Library card renewals require one piece of identification with a current address within the boundaries of the LUFSD. A parent/guardian must accompany a minor child (under 16 years of age) when renewing a card.

HOMEBOUND RESIDENTS: Patrons who are unable to physically come to the Library due to a temporary or permanent condition, are able to borrow all books, circulating magazines, and feature film and non-fiction

DVDs with a 7 or 21-day loan period, through the “Library by Mail” Program. Regular loan rules apply. Patrons must complete a “Library by Mail” application, separate from a library card application.

LOAN RULES: A patron with a full access library card may borrow up to 150 items. At its discretion, the Library may limit the number of items borrowed, and/or the number of holds placed on one library card. The Trustees of the Library promote access to materials by all community members, and, accordingly, have eliminated most late fees. (Museum Passes and WiFi hotspots still incur daily late fees). If borrowing items through direct access/interlibrary loan, patrons may incur fees from the lending library.

Items not available in the collection may be requested through interlibrary loan from members of the Suffolk Cooperative Library System. Patrons obtaining items on interlibrary loan may be subject to the loan policies and possible fees of the lending library.
