Mr. Biggs asked whether a decision had been made regarding the school district’s request that a gate be put at the north end of the new parking lot so that teachers would have more access to Wellwood Avenue. Mrs. Dietz and Mr. Ward replied that they had met with Superintendent Dan Giordano about the subject and that some outstanding issues had to be resolved before a decision could be made.

The Board discussed a letter from Mary Crump requesting that the Library cancel the bus trip to Atlantic City. The Board decided that the trip should be kept on the library program schedule.

Mrs. Kropp talked about the placement of two vending machines in the lobby. She explained that the new location gave tweens and others better access to food and drink. Mr. Biggs questioned the aesthetic impact on the library. He also wants to know how much electricity the machines use. Mrs. Coyne thought the prices are a bit expensive. It was agreed that the vending machines in the lobby would evaluated at the next meeting.

Mrs. Kropp talked about the Babylon zone meeting held at LML, Craig Pullen’s new responsibilities as technology coordinator, Rosalia Milan and Tina Santiago’s good work with programs, the new emphasis on librarian-driven programs, and a community garden. He also talked about security measures that should be taken in the area.

We then had a general discussion about library security. Mrs. Coyne and Mr. Biggs were asked to form a task force charged with reviewing library security. Mrs. Dietz asked Mr. Ward to survey what other libraries are doing with regard to security in their children’s rooms.

We had a discussion about future meeting dates. Upcoming meeting dates are April 23rd and May 21st.
