

Social Media Policy

Purpose:

The purpose of the social media employed by the Lindenhurst Memorial Library is to promote and disseminate information regarding Library programs, news, projects, and ongoing activities to all members of the Library district consistent with the Library's mission statement. The secondary purpose is to provide a forum for Library staff and patrons to share opinions and information about Library related subjects and issues.

The Library aims to provide a welcoming and inviting online space where patrons will find useful information and be able to interact with Library staff and other patrons.

While the Library encourages an open forum, posts and comments are moderated by Library staff. The Library reserves the right, at its sole discretion, not to publish/post and/or to remove submissions or comments that violate this policy and/or are otherwise inappropriate or unlawful.

The following will be removed immediately from any Lindenhurst Memorial Library social media accounts and/or forums:

Library Employees:

Only employees designated and authorized by the Library Director can prepare content for, publish, delete, edit or otherwise modify content on the Library's social media platforms on behalf of the Library. Designated and authorized employees are responsible for ensuring that the Library's social media posts conform to all applicable Library rules and guidelines.
