Rome Spreads Her Wings: Territorial Expansion Between the Punic Wars.
by Gareth C. Sampson
The two decades between the end of the First Punic War and the beginning of the Second represent a key period in the development of Rome's imperial ambitions, both within Italy and beyond.

The Defeat of Rome in the East: Crassus, the Parthians, and the Disastrous Battle of Carrhae, 53 BC.
by Gareth C. Sampson
In 53BC the Proconsul Marcus Crassus and 36,000 of his legionaries were crushed by the Parthians at Carrhae in what is now eastern Turkey. Crassus' defeat and death and the 20,000 casualties his army suffered were an extraordinary disaster for Rome. The event intensified the bitter, destructive struggle for power in the Roman republic, curtailed the empire's eastward expansion and had a lasting impact on the history of the Mediterranean and the Middle East.

Marcus Agrippa: Right-hand Man of Caesar Augustus.
by Lindsay Powell
Marcus Agrippa was a key factor in the rise of Augustus and the transition from Republic to Empire. This is the first accessible, full-length study of this significant figure for over 75 years and 2014 sees the 2,000th anniversary of the death of Augustus.

Imperial Tragedy: From Constantine's Empire to the Destruction of Roman Italy Ad 363-568.
by Michael Kulikowski
Imperial Tragedy tells the story of Rome's gradual collapse. Full of palace intrigue, religious conflicts and military history, as well as details of the shifts in social, religious and political structures, Imperial Tragedy contests the idea that Rome fell due to external invasions. Instead, it focuses on how the choices and conditions of those living within the empire led to its fall.

Hadrian's Wall.
by Adrian Keith Goldsworthy
Taking readers on a historical and archeological investigation during which fact is separated from legend, an award-winning historian of ancient Rome presents a concise and fascinating history of the largest Roman artifact known today and a great architectural marvel of the ancient world.

The Storm Before the Storm: The Beginning of the End of the Roman Republic.
by Michael Duncan
Chronicling the years 146-78 BC, this book dives headlong into the first generation to face this treacherous new political environment. Abandoning the ancient principles of their forbearers, men like Marius, Sulla, and the Gracchi brothers set dangerous new precedents that would start the Republic on the road to destruction and provide a stark warning about what can happen to a civilization that has lost its way.

Cicero: The Life and Times of Rome's Greatest Politician.
by Anthony Everitt
A lively portrait of the quintessential Roman politician describes the life and times of the ancient statesman, based on the witty and candid letters that Cicero wrote to his friend Atticus in which he described the events and personalities that shaped the final days of Republican Rome.
